WDSC Agility & Jumping Trial 2011

We had over 420 entries at our annual trial which also included a Regional Qualifying Heat Agility round for the NSW Agility Dog of the Year competition which will have the top dogs in the state compete at the state championships held in September at Erskine Park.

Club trials do not run without the support of volunteers.

A big thankyou to....

- all the club members and their family members who arrived early to help set up the rings with the judges.
- The members, family and friends who helped at the rings all day stewarding, calling numbers, taking leads, changing jump heights, picking up bars, etc. Etc. Etc. It was great to see so many members from our beginners class helping out at the rings. This is the best way to learn what goes on at trials before you are a competitor. It also gives you a greater respect for the stewards if you have 'been there, done that'.
- Ros, Di and Lyn who worked all day serving up delicious food in the canteen and to the judges and stewards for lunch
- Phil Rath—Trial Manager and Renae Adams—Trial Secretary. These 2 do all the behind the scenes work for months before the trial as well as on the day. Wendy Marczan—Treasurer and prize steward.
- Phil and Darren for towing our club equipment on the trailers to the IDTC grounds and back to our grounds after the trial—in the dark.

And also to our sponsors who donated cash and merchandise for our prizes....

Matt Young - Companion Animal Veterinary Hospital, Dapto

Lunchtime VETERANS Event

With over 20 entries, this event for the retired dogs over the age of 9 sponsored by June & Tony Mitchell in memory of Jasmine (their sheltie) and run by Robyn McPhee in the Judges lunchbreak is becoming more popular each year. It gives the older dogs who aren't competing anymore the chance to have a run on a course that is adapted to suit their ability. Thanks to Jane Coulton who judged the event.

Wollongong Dog Sports Club now has its very own page on Facebook.

This group page will enable members to share their experiences and keep up with others in the group. Use it if you wish to let the group know what you and your dogs have been up to and feel free to upload photos of you and your dogs' achievements. If you are a Facebook user search Wollongong Dog Sports Club and then ask to join the group. Non Facebook users will of course need a Facebook profile to access the page. With the weather the way it is, it might be the only way we get to catch up. Please note that the Facebook page is additional to the website, not instead of it. Notices regarding training cancellation and social events will still be posted on the website as normal.
